54th Street Reconstruction

Dear Resident:

Completion of the bridge to allow traffic is approaching. Final work, weather permitting, is to finish the road paving and walkway. Look for the construction barricades to come down soon after!

Sidewalk installation will be ongoing for the next week or so. Restoration behind the curb will begin after the sidewalk has been completed.

PLEASE use caution around freshly poured concrete. If the concrete has ribbon around it, it is curing and needs to be avoided.

The second layer of pavement is tentatively scheduled for the end of the week of Nov. 9. You will receive a notice the day prior to the paving.

Pedestrians and bicyclists: please use the existing bridge located just north of 54th Street in Arden Park near the shelter.

Site safety is extremely important during bridge construction. Do not attempt to cross safety fences or access the creek while the bridge is under construction.

If you see any activity in the construction area after working hours or on weekends, please call the Edina Police Department at 952-826-1600. Thank you for your help.

Communications

Please contact me at 612-255-4030 or mhorn@sehinc.com with any questions or concerns. For more information about emergencies, non-emergencies, site safety or what to do when you have special events or home improvement projects planned, visit www.EdinaMN.gov/54thstreet. The City of Edina and Northwest Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Mike Horn
City of Edina On-site Representative
